

# *“We care about our customers serving the best cup of coffee”*

There is no substitute that meets the needs of conference centres and Christian educational facilities like Cafitesse. Our machines and equipment can offer you the speed and flexibility to meet your needs, whether you need to serve one cup at a time or 500 cups to visitors and your staff.

The Cafitesse range of hot beverages includes coffee, tea, milk and hot chocolate. No additives or substances are added to Cafitesse coffee. It is just 100% pure coffee.

Cafitesse are the leaders in the concept of liquid coffee since 1962. 4 billion other coffee drinkers also agree which makes Cafitesse a global leader in liquid coffee solutions.
