

Fonterra Foodservices

Proudly supporting the foodservice industry today and tomorrow

Fonterra Foodservices is proud to assist in the continuous improvement and development of culinary standards and professionalism. Our sponsorship aids local and global chef associations and competitions, and the importance of nurturing young talent is recognised through active support and involvement.

Support those who support your industry

A non-political professional organisation, **World Association of Chefs Societies** is dedicated to maintaining and improving the culinary standards of global cuisines. Representing over 10 million professional chefs world-wide, WACS works through education, training and professional development. As an authority and opinion leader on food, WACS represents a global voice on all issues related to the culinary profession. Fonterra Foodservices is a major sponsor.

The **Australian Culinary Federation** is the national organisation representing professional chefs, cooks and apprentices. It seeks to participate and advise in the establishment, maintenance and improvement of national and international culinary standards. Fonterra Foodservices is a major sponsor of the ACF and also a proud co-sponsor of the Australian National Culinary teams that compete around the globe.

Conducted in conjunction with Fine Foods, the **Australian Culinary Challenge** seeks to excite and stimulate the creative spirit in chefs and apprentices through a series of live kitchen competitions. The challenge attracts the best chefs from the finest institutions all over Australia. Fonterra Foodservices is a proud sponsor of the challenge.

The **Global Pizza Challenge** was founded with the aim to encourage culinary innovation within the pizza market. The competition is now firmly entrenched across Australia, New Zealand, Africa and Asia giving pizza-makers a truly international competition. Fonterra is the international naming sponsor of the challenge.

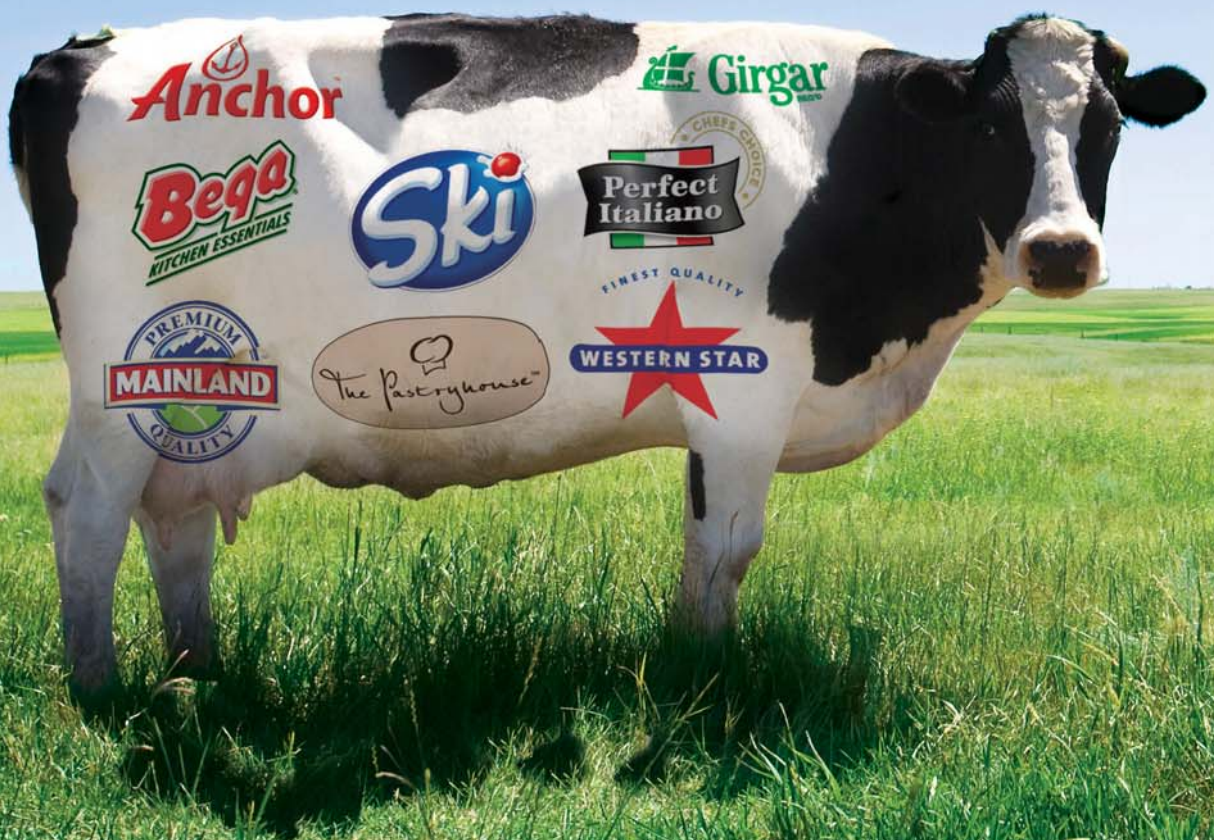

The largest event of its kind, the **National Apprentice Competition** sees the participation of more than 300 apprentices, 90 training colleges and 200 culinary educators. Conducted through regional, state and national levels – the competition encourages excellence and creativity and seeks the best culinary student in Australia. Fonterra Foodservices is the major sponsor.

The **Proud to be a Chef** mentor programme is designed to recognise and reward the dedication and commitment of Australian apprentice chefs and provide an opportunity for them to learn from some of the world's most accomplished and inspiring chefs. Fonterra Foodservices operates and funds this culinary mentor program.
