**WE MANAGE IT FOR YOU TO GUARANTEE YOU'RE COMPLIANT WITH OH&S REGULATIONS**

## On a Managed Rental Programme we

- 1 Friendly First Aid Representatives - who will work with you to ensure that you are always 100% ready to face workplace emergencies or workplace inspections
- 2 First Aid "for everybody, by anybody" - Clearly labelled, sealed, injury-specific modules give the guidance necessary for, even people without training, to apply First Aid
- 3 Hospital-quality First Aid products - delivering reliable, durable First Aid properties

A managed first aid system makes budgeting sense, one fixed cost and no more purchasing concerns. Your compliance worries are over and all contents are constantly replaced and updated.
