

A promotional image for Kraft Heinz Foodservice. The scene is set on a light-colored wooden table. In the foreground, a large sandwich is served on a white ceramic plate. The sandwich is made with a thick, golden-brown crusty roll, filled with a dark, glazed meat patty, sliced red bell peppers, shredded cheese, and a fresh salad. A wooden skewer is inserted through the top. To the left, a teal-colored cup holds a serving of golden french fries. In the background, a glass of beer with a white head of foam sits next to a bottle of Heinz Tomato Ketchup. The ketchup bottle is red with a white label that reads 'HEINZ 57 VARIETIES' and 'HEINZ TOMATO KETCHUP'. A small white bowl containing more ketchup is in the bottom right corner. The overall lighting is bright and natural, creating a warm and appetizing atmosphere.
